Dogs with a PAL/ILP or an AKC Canine Partners listing number must be spayed or neutered in order to compete. Bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance are not eligible to participate.

NOTICE TO EXHIBITORS

- The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge they are familiar with the rules and regulations of this sport and that their dogs are familiar with and able to perform all obstacles safely.
- Exhibitors should follow their veterinarians' recommendations to assure their dogs are free of internal/external parasites, any communicable diseases, and have appropriate vaccinations.
- All dogs MUST be on leash, crated, securely penned, or otherwise under physical control at all times when not competing or at the practice jump. **This requirement is also mandated by the venue. It will be strictly enforced.**
- Pinch collars, electric and dummy electric collars, and special training collars are prohibited on the trial grounds.
- No dogs under the age of four (4) months are allowed on the show site.
- All handlers must pick up after their dogs. Anyone witnessed not doing so will be requested to leave and no refund will be made of any fees paid.
- The Charlotte Dog Training Club and Piedmont Kennel Club assume no responsibility for any loss, damage, illness, or injury sustained by exhibitors, handlers, spectators, or to any of their dogs or property, and further assume no responsibility for injury to any child not under the control of his or her parents or guardians.
- The Charlotte Dog Training Club does not agree to arbitrate claims as set forth on the Official AKC entry form for this event.
- It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the trial site. In such case, no refund will be made of any fees paid.
- Entry fees will not be refunded in the event that a dog is absent, disqualified, excused or barred from competition by action of the judge or event committee.
- No entry fee will be refunded if the trial cannot open or be completed because of riot, civil disturbance, fire, or an act of God, emergency, act of public enemy, or any other cause beyond the control of the organizing committee.
- No refunds will be given for overpayment of fees if the error is less than $10.
- Bitches in season and ill or injured dogs are not eligible to compete. Such dogs may be withdrawn after closing and no later than one-half hour prior to the start of the first class of the day of the trial, and entry fees (less $4 per run for BIS and $6 per run for injuries – our direct costs) will be returned. All competitors' requests must be accompanied by a Veterinarian's statement.
- A fee of $25 will be charged for all returned checks. Repeated returned checks will result in the exhibitor being placed on a cash basis for payment of entry fees.

MOVE-UPS

Move-up requests for Friday must be made in writing and must be received by the Trial Secretary no later than **Monday, October 5, 2020, at 6:00pm.** They may be e-mailed to karen-w@msn.com. Provide dog's call name, owner's name, original class entered and new class requested. Move-ups for Saturday and Sunday must include the above information and be delivered to the Trial Secretary at the trial site no later than 15 minutes after the final dog has run. Dogs moved up will generally be placed at the end of the running order. Per section 21 of the Agility Regulations, if notification has been received in writing from the American Kennel Club after the close of entries that the dog is not eligible for the class(es) entered, the dog may be moved to the correct class(es). The request for the move to the class for which the dog is eligible must be in writing, accompanied by the letter from the AKC, and submitted to the trial secretary at least 30 minutes prior to the start of the trial.

CONFIRMATIONS

If you have provided a legible, valid, unblocked email address on your entry, you will receive an initial confirmation after your entry has been processed. Please allow approximately one week after opening date for your initial confirmation. **Please review this confirmation carefully and notify the Trial Secretary of any errors**. If you do not receive your initial confirmation within a week, please call or email the Trial Secretary to confirm receipt of your entry. After closing date, final confirmation of your entry and a schedule of judging will be sent to the email address on your entry form. Final confirmations will be sent via US mail only if you did not provide an email address. If you have not received a final confirmation within five days of the trial, please contact the Trial Secretary.

MEASURING

Exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Dogs without a valid jump height card/form may still compete, but they must be measured by the **Judge of Record** PRIOR to running in their class. This measurement will be valid for that weekend of trials only. Dogs entered in the 24" height division are excepted from this requirement. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present, ALL dogs without a valid jump height card/form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog measured by the Judge of Record if the VMO or Rep is not available to measure before the dog's first run of the trial**. It is the exhibitor's responsibility to have their dog measured prior to running, and failure to do so will result in the cancellation of any qualifying scores. Judging will not be held up or interrupted for measuring!** Owners are responsible for entering the proper height divisions. Handlers of dogs in Regular Classes may opt to run in a higher height division, but not in a division lower than their proper height division. Dogs entered in the Preferred Classes **MUST** jump in their measured division and are not allowed to jump higher or lower.

JUMP HEIGHT DIVISIONS

REGULAR	PREFERRED	HEIGHT
8 inches	4 inches	For dogs 11 inches and under at the withers
12 inches	8 inches	For dogs 14 inches and under at the withers
16 inches	12 inches	For dogs 18 inches and under at the withers
20 inches	16 inches	For dogs 22 inches and under at the withers
24 inches	20 inches	For dogs over 22 inches at the withers. Regular dogs may not be entered in this height if they are 22 inches and under
24C	N/A	Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches or under at the withers. Dogs who measure into the 24" regular jump height may not enter 24-choice.

Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Entering For Exhibition Only (FEO) - <u>WILL</u> BE OFFERED AT THIS TRIAL

As of January 1, 2020, For Exhibition Only may be offered at the option of the host club. FEO will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FEO will allow exhibitors to work with their dogs in a trial environment. FEO is only allowed in the Time 2 Beat and FAST classes. FEO will be of value to new exhibitors or exhibitors that are having difficulty with a specific obstacle and/or ring environment. Competitors must enter in T2B and/or FAST. Participation in FEO is non-qualifying.

- FEO runs are treated as trial entries. The exhibitor must enter the class(es) (T2B and/or FAST) prior to the closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- Dogs may be entered in any jump height for FEO runs. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- The exhibitor must declare FEO in the ring prior to leading out. FEO may be declared earlier (ex. when checking in at the gate board).
- Toys are allowed in the ring
    - Toys must be non-audible
    - Toys may not leave the handler's hand
    - Toys that roll freely cannot be used
- Food/treats are not allowed in the ring
- FEO should be utilized for the benefit of the dog and not as a punitive correction. Harsh verbal and /or physical corrections shall not be tolerated. Any determination of harshness by the judge shall be immediately whistled and the handler will be dismissed from the ring.
- A judge must monitor the entire run. Judges can stop a run at any time

Fix and Go On (FNG)

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.
