### NOTICE TO EXHIBITORS

- The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge they are familiar with the rules and regulations of this sport and that their dogs are familiar with and able to perform all obstacles safely.
- Exhibitors should follow their veterinarians' recommendations to assure their dogs are free of internal/external parasites, any communicable diseases, and have appropriate vaccinations.
- All dogs **MUST** be on leash, crated, securely penned, or otherwise under physical control at all times when not competing or at the practice jump. **This requirement is also mandated by the venue. It will be strictly enforced.**
- Pinch collars, electric and dummy electric collars, and special training collars are prohibited on the trial grounds.
- No dogs under the age of four (4) months are allowed on the show site.
- All handlers must pick up after their dogs. Anyone witnessed not doing so will be requested to leave and no refund will be made of any fees paid.
- The Charlotte Dog Training Club and Piedmont Kennel Club assume no responsibility for any loss, damage or injury sustained by exhibitors, handlers, spectators, or to any of their dogs or property, and further assume no responsibility for injury to any child not under the control of his or her parents or guardians.
- The Charlotte Dog Training Club does not agree to arbitrate claims as set forth on the Official AKC entry form for this event.
- It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the trial site. In such case, no refund will be made of any fees paid.
- Entry fees will not be refunded in the event that a dog is absent, disqualified, excused or barred from competition by action of the judge or event committee.
- No entry fee will be refunded if the trial cannot open or be completed because of riot, civil disturbance, fire, or an act of God, emergency, act of public enemy, or any other cause beyond the control of the organizing committee.
- No refunds will be given for overpayment of fees if the error is less than \$10.
- Bitches in season and ill or injured dogs are not eligible to compete. Such dogs may be withdrawn after closing and no later than one-half hour prior to the start of the first class of the day of the trial, and entry fees (less \$4 per run for BIS and \$6 per run for injuries – our direct costs) will be returned. All competitors' requests must be accompanied by a Veterinarian's statement.
- A fee of \$25 will be charged for all returned checks. Repeated returned checks will result in the exhibitor being placed on a cash basis for payment of entry fees.

### MOVE-UPS

Move-up requests for Friday must be made in writing and must be received by the Trial Secretary no later than **Monday, March 6, 2017 at 6:00pm**. They may be e-mailed to karen-w@msn.com. Provide dog's call name, owner's name, original class entered and new class requested. Move-ups for Saturday and Sunday must include the above information and be delivered to the Trial Secretary at the trial site no later than 15 minutes

after the final dog has run. Dogs moved up will generally be placed at the end of the running order. Per section 21 of the Agility Regulations, if notification has been received in writing from the American Kennel Club after the close of entries that the dog is not eligible for the class(es) entered, the dog may be moved to the correct class(es). The request for the move to the class for which the dog is eligible must be in writing, accompanied by the letter from the AKC, and submitted to the trial secretary at least 30 minutes prior to the start of the trial.

### CONFIRMATIONS

If you have provided a legible, valid, unblocked email address on your entry, you will receive an initial confirmation after your entry has been processed. Please allow approximately one week after opening date for your initial confirmation. **Please review this confirmation carefully and notify the Trial Secretary of any errors.** If you do not receive your initial confirmation within a week, please call or email the Trial Secretary to confirm receipt of your entry. After closing date, final confirmation of your entry and a schedule of judging will be sent to the email address on your entry form. Final confirmations will be sent via US mail only if you did not provide an email address. If you have not received a final confirmation within five days of the trial, please contact the Trial Secretary.

### MEASURING

Exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Dogs without a valid jump height card/form may still compete, but they must be measured by the **Judge of Record PRIOR** to running in their class. This measurement will be valid for that weekend of trials only. Dogs entered in the 24" or 26" height division are excepted from this requirement. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present, ALL dogs without a valid jump height card/form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog measured by the Judge of Record if the VMO or Rep is not available to measure before the dog's first run of the trial. **It is the exhibitor's responsibility to have their dog measured prior to running, and failure to do so will result in the cancellation of any qualifying scores. Judging will not be held up or interrupted for measuring!** Owners are responsible for entering the proper height divisions. Handlers of dogs in Regular Classes may opt to run in a higher height division, but not in a division lower than their proper height division. Dogs entered in the Preferred Classes **MUST** jump in their measured division and are not allowed to jump higher or lower.

INSTRUCTIONS

Handlers may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?
